YMCA Outdoor Education at Camp Elphinstone

Ahh! The great outdoors! With 144 acres of ocean-front property, lush rainforest and quiet creeks, YMCA Camp Elphinstone is an ideal location for learning in the great outdoors. Located on British Columbia's beautiful Sunshine Coast, YMCA Camp Elphinstone is just two kilometres north of the Langdale Ferry Terminal and a 40-minute ferry ride from Horseshoe Bay in West Vancouver.

The YMCA of Greater Vancouver has been providing unique outdoor education experiences to children since 1907. Through meaningful outdoor experiential learning, kids develop strong and healthy minds and bodies while they learn and grow with their classmates. Students are challenged outside the traditional classroom and benefit from hands-on learning as they explore the serene forests and rocky shoreline of beautiful YMCA Camp Elphinstone.

Experiential Programming

We believe that the strongest and most impactful programs are a result of close collaboration between visiting groups and our staff. For this reason, we will work closely with you during all steps of your visit to ensure the planning and execution of the program is effective and customized specifically to your group's intended objectives. Programming is carefully planned to provide quality learning opportunities and is designed to meet provincial learning outcomes. Our setting is ideal for experiential learning in a variety of subjects.

Outdoor Education Staff

Led by the Outdoor Education Director, the Camp Elphinstone Outdoor Education staff team is made up of dedicated individuals, all of whom are passionate about working with children. All YMCA program staff maintain minimum qualifications of Standard First Aid with CPR-C and Bronze Cross and are trained on topics such as wildlife safety and healthy child development. Waterfront staff are certified National Lifeguards and our climbing instructors are trained to meet ACCT standards. Not only are our staff members selected for their qualifications, but also for their enthusiasm, experience in all camp programs, and commitment to the values of the YMCA.

YMCA staff are on duty from breakfast to evening snack and coordinate daily meal procedures. Each group is assigned a YMCA staff host who is dedicated to ensuring your group's needs are met.

Health and Safety

The health and safety of our campers, guests, and staff is our top priority. YMCA Camp Elphinstone will continue to follow all public health orders and British Columbia Camping Association guidelines. For the most up-to-date information on our COVID-19 safety measures, please contact us directly.

Group Chaperones

The staff at YMCA Camp Elphinstone always appreciate the support provided by group leaders, teachers, and chaperones. A quality and safe outdoor education experience relies on the support of group provided chaperones. One adult chaperone is required for every ten participants. Chaperones are responsible for the conduct of participants at all times and are expected to (1) supervise, accompany, and be present alongside participants during all activities; (2) manage challenging behaviours or conflict between participants; and (3) provide in-cabin overnight supervision unless other arrangements have been made.

While the group is not directly involved in programming, such as during short transition times or if the group finishes their meal early, we require that chaperones are responsible for the supervision of your participants; this gives our program team time to prepare for upcoming programs. During these times, the group can hang out on the bleachers or picnic tables, play some Gaga Ball or pass around a Frisbee, or simply enjoy the nature around you.

Meals

YMCA Camp Elphinstone serves nutritious family or buffet-style meals. Breakfast includes a cereal and fruit bar, while lunch and dinner include an endless salad bar. An evening snack is served daily. We proudly prepare food for most dietary needs, restrictions, and allergies. There is no additional charge for these meals provided they are the exception and the requested forms have been submitted.

For special events, groups may upgrade to our banquet menu. Contact us for more information about our menus, availability, and fees.

To serve multiple groups, we schedule two seating times as required: early meals (8:00 am breakfast, 12:00 pm lunch, 5:00 pm dinner) or late meals (9:15 am, 1:15 pm, 6:15 pm). Coffee, tea, water, and fruit are always available in our dining hall. Single meals are also available for day groups.

Transportation

Groups are responsible for arranging travel to and from YMCA Camp Elphinstone. For those arriving by ferry, YMCA staff can meet your group at the Langdale Ferry Terminal and lead you on the 20-minute walk to camp. A luggage service is available where YMCA staff collect your luggage from BC Ferries' dollies and transport it to camp. Overnight parking is available in our upper gravel parking lots.

Group reservations are highly recommended for BC Ferries. BC Ferries offers discount programs when travelling on school-related activities. Please note that as ferry schedules are subject to change, groups should always confirm ferry departure times on the BC Ferries website.

BC Ferries Luggage Service: visit the BC Ferries website or phone 1-888-223-3779 to book your free dolly cart for both directions of travel. If reserved, participants load luggage on private dollies at the Horseshoe Bay ferry terminal which will be delivered to the Langdale terminal and vice versa. If dollies are not reserved, your group will have to carry all luggage on. Dollies are limited so reserve early.

Heat Room & Packing

To ensure a bed bug-free facility, all bags and belongings must pass through a heat treatment process upon arrival to eliminate the concern of bed bugs spreading to our facilities or to your homes. Do not bring food or drinks (except water), pets, valuables, money, electronics, knives/pocket tools, or other weapons. For more information, see our "Heat Room Preparation" and "What to Pack" letters.

Phone & Internet

Phones are accessible 24 hours a day. YMCA Camp Elphinstone Outdoor Education Centre is an unplugged, electronics-free environment. However, Wi-Fi is accessible in the Dining Hall, Exploration Hall, and Mackenzie Hall for chaperone use if needed. AV equipment is available upon request.

Health Care and First Aid

Chaperones act as guardians to participants and are responsible for the following:

- Designate one adult chaperone as the First Aid Attendant
- Bring a vehicle to use in the event of emergency
- Oversee first aid if an incident should occur
- Dispense medication to participants

YMCA staff are trained in Standard First Aid with CPR-C as a minimum and are available to provide assistance if required in the event of an emergency. The Sunshine Coast ambulance service has an average ten-minute response time. Medical care is available at the Gibsons Medical Clinic (10-minute drive) or Sechelt Hospital (25-minute drive).

All-Inclusive Fees

Accommodation fees are per participant and include all standard meals, snacks, programming, and YMCA staffing. Adult chaperones at a ratio of 1:10 (adults to participants) stay at no charge if they provide 24-hour supervision and stay in the same accommodation as participants.

YMCA Camp Elphinstone can be booked exclusively for an additional fee (free of charge for groups with 250 guests or more), allowing your school to be the only participants at Camp Elphinstone during your stay.

We offer a 10% discount to schools booking trips during the low season of November 1st to April 30th.

Accessibility at Camp

The YMCA welcomes children of all abilities to our programs. Camp Elphinstone has accessible equipment and offers program adaptations for any students with physical and developmental disabilities to ensure each student is included and integrated into the Camp Elphinstone experience. If any of your students require the use of accessible equipment, program adaptations, or who will have an EA joining them for their Outdoor Education trip, please contact the Outdoor Education Director to discuss and plan supports to be put in place.

Inclusion at Camp

Recognizing that prejudice, discrimination, and stereotyping are prevalent through society, we are dedicated to the creation of a safe, secure space for those seeking services with us. It is the policy of YMCA Camp Elphinstone to maintain and promote a facility and community that provides the highest quality of services to our guests regardless of their actual or perceived gender identity or sexual orientation. Please don't hesitate to contact the Outdoor Education Director to discuss the commitments to inclusion made by YMCA Camp Elphinstone and how we can best welcome and support your students.
