

YMCA Summer Day Camps

Lower Mainland | Fraser Valley

Day Camps (ages 6 to 12)

Time spent being physically active and social has never been more important. Through our YMCA Summer Day Camps, kids receive a minimum of 90 minutes of physical activity per day through activities like sports and games. Whether through, literacy programming or Play It Fair games that promote respect and cooperation, campers will have lots of opportunities to connect and interact with peers in a safe and positive environment. With day camp locations spread across the Lower Mainland and Fraser Valley, the YMCA is excited to keep your kids engaged and having fun throughout the summer break.
