Parent Handbook**

2022

Welcome to YMCA Early Years Child Care

Welcome to the YMCA of Greater Vancouver! At our YMCA Early Years Child Care and Preschool programs the best interests of your child are our top priority. We value parents as the experts of their children and look forward to partnering with you to ensure your child reaches their full potential. This Early Years Child Care Parent Handbook will provide you with the information you need to know while your child is in our care.

For more than 136 years, the YMCA has been part of the Greater Vancouver community, helping children realize their potential and develop the confidence, relationships and leadership skills needed to lead our community in the future. Our approach to early learning is based on our national Playing to Learn curriculum that fosters the physical, mental and social development of your child. We ensure your children are kept safe and happy while connecting with others in a nurturing environment.

Here you'll find caring and dedicated staff who love to make each day special for your child.

Our Statement on Play

The YMCA's Playing to Learn curriculum focuses on the importance and value of play for young children.

Our intention is to provide the best possible environment that allows play for all children in our care. Play ensures the involvement, enjoyment, and various forms of success. Play can be powerful and profound, and is always purposeful. It is a vehicle that propels learning and development.

Play and development are intertwined; neither precedes the other. All aspects of a child's development are supported by play. This approach to early learning has the benefit of being self-initiated and is therefore a joy rather than a chore. Play propels a child into the vast realm of learning, and research has shown that play is linked to a child's learning. A child's cognitive development and academic success are enhanced by the play experience.

Through our approach to early learning, children can reach their full potential through play.

Roles & Responsibilities

Our Staff

YMCA Early Childhood

Educators come with a wide background of education and experience. Our staff must go through a rigorous screening process that includes demonstrating their values and skills and providing a police reference check that is renewed every three years. All educators must also hold a valid Standard First Aid and Infant and Child CPR certification. New YMCA staff participate in orientation and training on YMCA policies and procedures, child care licensing regulation and YMCA Playing to Learn curriculum.

- Communicate regularly to families about their child's progress;
- Plan activities based on their knowledge of early childhood development;

- Observe and document the progress of each individual child; and
- Practice the YMCA's high standards of child and safety and protection.

At the YMCA, we recognize the importance of continued professional learning and have developed an extensive series of learning modules that support YMCA Early Childhood Educators to gain a deeper understanding of:

- Child development.
- Play.
- Play partnership.
- Program planning.
- Extension of play and scaffolding of learning.
- Effective communication Providing positive learning environments.

YMCA staff are not permitted to provide services to families that are beyond their roles and

responsibilities as a YMCA Child Care staff member, such as babysitting or house-sitting. Furthermore, staff cannot engage in any social media activity/interaction with child care families and/or children at any time. Should you have any concerns, please contact us at childcare@gv.ymca.ca.

Volunteers/Students

YMCA child care programs are enhanced by the involvement of volunteers and placement students. Volunteers and placement students are always under the supervision of a YMCA staff member and never left alone with children. All volunteers and placement students must provide a police reference check before interacting with children and are required to adhere to all YMCA policies and procedures and Child Care Licensing regulation.

Roles & Responsibilities (continued)

Whatever your special talent, interests or schedule may be, there are plenty of ways to get involved. Please speak with a program staff for more information.

Duty to Report

We are required by law under the Child, Family, and Community Service Act to report any suspected cases or disclosures of child abuse or neglect to the appropriate authorities for investigation. YMCA Curriculum & Environment

Playing to Learn

YMCA Playing to Learn is a research-based curriculum rooted in the philosophy that young children learn best through play. Throughout the preschool years your child will explore and discover their natural surroundings through small group and individual play experiences that will prepare them for school. YMCA educators are engaged in children's learning through observing, planning and seeking opportunities to become a play partner and extend the play experiences.

The goals and approaches of YMCA Playing to Learn align in philosophy, standards and recommendations with the Province of BC's [Early Learning Framework](#).

Program Information (continued)

Inclement Weather

Severe weather conditions often result in hazardous traveling and road conditions. In these cases, all YMCA child care programs will be closed. The YMCA will communicate these closures to families through ePACT, and will make every effort to inform them as early in the morning as possible.

If schools are closed due to weather, all child care programs operating within the schools will also be closed.

Refunds will not be offered for closures due to inclement weather.

Professional Development Day

Each year in October (usually the 3rd Friday) all YMCA of Greater Vancouver Early Learning child care centres close for a professional development day for our educators. Providing our educators with professional development to keep them up-to-date on the latest research on early childhood development and best practice is a critical component of a quality early learning environment. It is also mandatory for our educators to attend professional development training in order for them to maintain their Early Childhood Educator (ECE) credentials.

Some YMCA preschool programs are also closed on school Professional Development Days.

Christmas Closure

All of our Early Learning Child Care Centres will be closed between Christmas and New Years Day. Notice of actual closure dates will be provided each year in early spring so that families have plenty of time to organize their schedules.

Drop-Off & Pick-Up

The safety and well-being of all children in our care is our top priority; therefore, we expect parents/guardians to follow our procedures.

Parents/guardians must sign children in and ensure that a staff member is aware that you are dropping off your child. Parents/guardians must sign children out upon pick up and ensure that a staff member is aware that you are taking your child home.

Authorized Pick-Up List

You are required to notify centre staff if someone other than those listed on the authorized pick up list will be picking up your child. If this person is unknown to the staff, they will be required to show photo identification.

Custody

If a custody agreement or court order is in place for your child, a copy must be on file. Staff will act in accordance with this legal document. If issues around custody exist and there are no legal documents, the parent with whom the child resides will be deemed the custodial parent and staff will only follow instructions from this parent unless otherwise instructed by a court order.

Program Information (continued)

Late Pick-Up

We expect that all children are picked up on time, respecting our staff's work schedules and personal commitments. Late pick-ups may result in additional charges and/or withdrawal of services.

If a child is not picked up by closing time, staff will contact parents/guardians and/or emergency contacts. If after 30 minutes staff are unable to contact parents/guardians or emergency contacts, staff will call the Ministry of Children and Family Development, who will take your child into care until you can be located.

Withdrawal of Service

A minimum of 45-days notice is required for withdrawal from your child care program. All withdrawals take effect on the 1st of the month. Notice must be received in writing to childcare@gv.ymca.ca 45 days advance of withdrawal, by the 15th of the current month. For example, for an October 1st withdrawal, notice must be received by August 15th.

In some situations, it may be necessary for the YMCA to withdraw services; however, we will make every attempt to work with the family to resolve the issue to the mutual satisfaction of all parties, provided that the arrangement does not compromise the mission and values of the YMCA, put staff, the child or other participants at risk, or diminish the value of the YMCA experience for other participants. Situations are dealt with on an individual basis, taking into account the specific needs and circumstances of the family.

The following situations may be considered cause for terminating care:

- Inappropriate conduct, including harassment, threatening behaviour, violent acts toward staff, children or other families involved in the program.
- Behavioural concerns (the YMCA does not have the resources to deal effectively with a child whose behaviour requires ongoing significant intervention, such as persistent unprovoked physical violence, including biting, hitting, and scratching; persistent bullying; verbal harassment; or unauthorized departure from the centre).
- Unresolved custody issues (if a family's custody issues result in ongoing conflicts at the centre or with staff).
- Late pick-up issues.
- Non-payment of fees.
- When a family's requests cannot be accommodated, as they conflict with the principles, policies and procedures of the YMCA.
