YMCA Camp Elphinstone

Surrounded by temperate rainforest and the rocky shoreline of Howe Sound, YMCA Camp Elphinstone's 144 acres lets campers experience the beauty of the Pacific Northwest. Located on BC's Sunshine Coast near Gibsons, just a 40-minute ferry ride from West Vancouver, Camp Elphinstone offers a variety of traditional and specialized programming.

Overnight Camps

With an emphasis on building independence and personal development, campers gain confidence in the overnight camp setting. Campers learn new skills and challenge themselves with many traditional camp activities like canoeing, archery, and ropes courses. From specialized sailing our out-tripping camps to shorter introductory sessions for little ones, we have something for everyone.

Cabin Activities allow campers to participate in a variety of activities as a cabin, helping to build friendships and develop teamwork. Campers will have a chance to experience a wide array of Elphinstone's programs with their cabin group including kayaking, rock climbing, sailing, archery, arts & crafts, and many more!

Skill Selects allow campers to choose two activities to focus on while at camp. These include high ropes, canoeing, mountain biking, photography, stand up paddle boarding, and many more. Campers will be able to choose one water-based and one land-based skill each week, meeting with their group each afternoon to focus on skill development.

Flagpole is a time for an entire section to have a fun meeting at the flagpole on the main field. This includes daily awards, important camp updates, fun skits about evening programs or the weekly theme day, and of course the end of the day song.

Evening Programs are group activities that campers enjoy together, like camp-wide games, campfires, or skits nights.

Cabin Choice is an opportunity for the entire cabin to choose what they would like to do as a group. This can be one of their favourite cabin activities, a creative/original program, or something relaxing depending on how the group is feeling.

"We were impressed that so many activities were values-based. My kids came home with valuable lessons on inclusion and one of my kids won a value award at end of the week. This stuff fills me up. They had great leaders and are begging to go back."

One and Two Week Camps (7-15 years)
Working together with cabin-mates, campers choose activities that meet their interests and skill levels. Campers build friendships as they engage in exciting activities alongside one another—sailing, archery, climbing, ropes courses and so much more. Campers live in cabins with up to 10 children close in age, along with two experienced counsellors.

McNabb Camp (5-7 years)

A perfect introduction to overnight camp for little ones, this camp offers younger campers a shorter, three-night camp experience that focuses on creating a comfortable environment for many campers' first time away from home. McNabb campers enjoy their meals in a smaller open-air dining hall and live in lodges with in-house washrooms and showers for easy access. McNabb campers are introduced to camp programs like rock climbing, canoeing, archery, and sailing. All staff are trained to deliver age-appropriate programming and to ensure proper care of our youngest overnight campers.

Sunshine Coast Trail (12-14 years)

Campers are challenged with a scenic four-day backpacking trip on the Sunshine Coast Trail. Perfect for kids who are new to out-tripping, campers form friendships and develop leadership skills in a focused team-building environment. Experienced and well-trained staff will lead the trip and ensure that all campers have the opportunity to take on responsibilities like packing, cooking, leader of the day, and navigating. The route will take campers from Saltery Bay to Lois Lake and features the challenging, but rewarding hike up Mount Troubridge, which is the highest point along the Sunshine Coast Trail.

Desolation Sound (13-15 years)

This two-week camp features a nine-day sea kayak trip through one of the most breathtaking coastal setting in Canada. Campers develop confidence and teamwork skills in this introduction to backcountry living and coastal paddling. An excellent pre-Leadership Development experience, campers must be prepared to work together on trip planning and execution.

LEADERSHIP DEVELOPMENT

Our two-year Leadership Development program is designed to help youth learn valuable leadership skills that are transferable to a broad spectrum of life or work situations. A sense of responsibility, self-discipline, and initiative help campers succeed in this program.

Leadership Development (15-16 years)

This two-week program teaches campers the technical skills associated with delivering camp activities while focusing on team building. Campers participate in a canoe or backpacking out-trip experience and are offered the opportunity to build strong, lasting friendships in a positive and constructive setting. Youth gain a solid foundation in delivering all types of camp programming while learning how to support others.

Leadership Development 2 (16-17 years)

This three-week program allows campers the chance to apply skills learned in Leadership Development 1 and continue to grow as leaders with a focus on increased responsibility and more intentional skill development. This program emphasizes initiative, communication and the group care skills necessary to be a strong leader

in a camp setting or elsewhere. Participants work directly with groups of young campers to practice their teaching and group care skills. Campers receive instruction and examination in Bronze Medallion/Bronze Cross. Some school districts may accept these certifications towards partial credits.

Many Leadership Development (LD) campers choose to apply for future positions at camp following completion of the program. YMCA volunteers must be 17 years old on the first day of summer camp and YMCA staff must be 18 years old by the end of the 2024 calendar year. For these reasons, we mandate that campers be the minimum age listed before they join the program. Please note that participation in the LD program does not guarantee future employment with Camp Elphinstone.

Day Camp (5-12 years)

Camp Elphinstone offers an action-packed day camp program Monday-Friday in July and August. Campers are placed into groups with two counsellors and take part in all of the same activities as overnight campers, such as rock wall, kayaking, swimming, archery, and sailing before they return home at 4:00 p.m.

Camp Elphinstone provides a nutritious lunch each day for day campers. Transportation option for day camp include pick up/drop off directly at Camp Elphinstone or the day camp bus (\$100/week plus GST), which stops in Halfmoon Bay, Sechelt, Davis Bay, Roberts Creek, Upper Gibsons, and Lower Gibsons.

Family Camp (all ages)

YMCA Camp Elphinstone offers an ideal setting for families to focus on what's most important— spending time together. Family Camp is a great way for families to escape the city without the hassle of pitching a tent or driving long distances. Campers participate in a variety of camp activities and organized programs for children, adults and the whole family. Families may choose from two different types of accommodation, cozy lodge rooms or private cabins, and we make sure everyone is well fed with three daily nutritious, delicious, kid-friendly meals in our dining hall. Relax, reconnect, and join us for a quality family experience you'll never forget!

Summer Family Camp (August 25 - 28)

Summer Family Camp is a four-day camp that features all of our most popular warm-weather programming. In the morning and afternoon, families can choose between activities like rock climbing, sailing, canoeing, archery, high ropes, kayaking, and much more! Families can choose to sign-up for activities together or to sign-up separately, as YMCA staff will always be present to supervise children during scheduled activities. Each evening we will have a campfire, a camp-wide game, and finish the day off with an optional adult social while YMCA staff supervise children in cabins/lodges.

Fall Family Camp (October 11 - 13)

Fall Family Camp is a three-day camp on Thanksgiving weekend offering programs like rock climbing, canoeing, kayaking, archery, campfires, and indoor options in the case of inclement coastal weather. Relax, unwind, and enjoy the fall beauty this year, along with a full Thanksgiving dinner prepared by our Camp Elphinstone chefs. Don't forget about the annual Great Pumpkin Drop!
